Subject: Resignation

Dear Sue

Please accept this as notice of my resignation as a councillor from Hadleigh Town Council with immediate effect.

Whilst I have enjoyed working with the town council over the years and the majority of my fellow councillors have been supportive as have all the council staff, [redacted]

The council has been supportive [redacted] as I intended to return to full council duties, however recent events [redacted]

So it is with reluctance that I do this.

I have copied in the town clerk.

Yours sincerely

Gordon T McLeod
