Hi Tony

We are all so sorry that this has all happened. [redacted] would like to apologise for the delays in processing this.

As you may aware, [redacted] has resigned and we also have [redacted] resignation today, so that is now an election for 3 Cllrs.

[redacted]

What I would like to do is prepare a statement which we will post on the Website and send to the EADT. Are you happy to make any comments towards this [redacted] but I feel that handling this in in a quiet understated way will be very effective, whilst stating your position.

I am personally so sorry Tony this has happened [redacted]

I hope life is treating you all well [redacted]

Again Tony my sincere apologies that you [redacted].

I am so sorry to formally be accepting your resignation and on behalf of the Council, I would like to thank you for all your contributions and support.

With best wishes

Sue

Subject: resignation

Hi Wendy and Sue

Hope you well. I spoke to [redacted] last night and he informed me that [redacted]. This become unacceptable now as I have resigned twice from my position [redacted]. So ask I ask two questions

1. Why have I not received any confirmation of my resignation?
2. Why has my resignation not been made public knowledge to all councillors and importantly the wider public? .I admit I didn't follow correct procedure for the first one but I made sure the second was sent before the last full council meeting and yet it wasn't announced [redacted]

Apologizes for any grammar or punctuation errors as my laptop is shot to bits and in need of replacing. I look forward to hearing from you

Kind Regards

Tony Miller
