Agenda Item 8: War Memorial

The Town Council own and are responsible for Hadleigh's war memorial, there is a column with the names of those lost in World War I and also a memorial wall, the centre of the memorial wall has the names of those lost in World War II.

On the wall are 4 smaller areas for panels to be fitted and this proposal is to commission and instal one back panel (shown as a grey rectangle below) so those people from Hadleigh who have lost their lives in conflict since World War II can be honoured.

The intention is for this panel to be installed by the end of October 2026 as 12th November is the 20th anniversary of Staff Sergeant Sharron Elliott who was killed in action on 12th November 2006 and this would be a fitting tribute.

An amount of £2000 for the back panel has been included in the budget for 26/27.

Quotes have been obtained and the suggestion is to go with Company B.

Listed building consent is also required for which there is no cost but a small additional amount in the budget should be allowed for any unexpected costs.

Company	Cost
A	£1,810.75 + VAT
B	£1750.00 + VAT
